

(2) The Final Notice of Noncompliance shall specify the time by which each corrective action must be taken. This period shall not exceed 40 working days unless the Regional Administrator determines that exceptional circumstances necessitate corrective actions requiring a longer time period. In such cases, and if the violations involve services to MSFWs or the JS complaint system, the Regional Administrator shall notify the Administrator in writing of the exceptional circumstances which necessitate a longer time period, and shall specify that time period. The specified time period shall commence with the date of signature on the registered mail receipt.

(3) When the time period provided for in paragraph (h)(2) of this section elapses, ETA staff shall review the State agency's efforts as documented by the State agency to determine if the corrective action(s) has been taken and if the State agency has achieved compliance with JS regulations. If necessary, ETA staff shall conduct a follow-up visit as part of this review.

(4) If, as a result of this review, the Regional Administrator determines that the State agency has corrected the violation(s), the Regional Administrator shall record the basis for this determination, notify the State agency, send a copy to the Administrator, and retain a copy in ETA files.

(5) If, as a result of this review, the Regional Administrator determines that the State has taken corrective action but is unable to determine if the violation has been corrected due to seasonality or other factors, the Regional Administrator shall notify in writing the State agency and the Administrator of his/her findings. The Regional Administrator shall conduct further follow-up at an appropriate time to make a final determination if the violation has been corrected. If the Regional Administrator's further follow-up reveals that violations have not been corrected, the Regional Administrator shall apply remedial actions to the State agency pursuant to § 658.704.

(6) If, as a result of the review the Regional Administrator determines that the State agency has not corrected the violations and has not made good faith efforts and adequate

progress toward the correction of the violations, the Regional Administrator shall apply remedial actions to the State agency pursuant to § 658.704.

(7) If, as a result of the review, the Regional Administrator determines that the State agency has made good faith efforts and adequate progress toward the correction of the violation and it appears that the violation will be fully corrected within a reasonable time period, the State agency shall be advised by registered mail (with a copy sent to the Administrator) of this conclusion, of remaining differences, of further needed corrective action, and that all deficiencies must be corrected within a specified time period. This period shall not exceed 40 working days unless the Regional Administrator determines that exceptional circumstances necessitate corrective action requiring a longer time period. In such cases, the Regional Administrator shall notify the Administrator in writing of the exceptional circumstances which necessitate a longer time period, and shall specify that time period. The specified time period shall commence with the date of signature on the registered mail receipt.

(8)(i) If the State agency has been given an additional time period pursuant to paragraph (b)(7) of this section, ETA staff shall review the State agency's efforts as documented by the State agency at the end of the time period. If necessary, ETA shall conduct a follow-up visit as part of this review.

(ii) If the State agency has corrected the violation(s), the Regional Administrator shall document that finding, notify in writing the State agency and the Administrator, and retain supporting documents in ETA files. If the State agency has not corrected the violation(s), the Regional Administrator shall apply remedial actions pursuant to § 658.704.

**§ 658.703 Emergency corrective action.**

In critical situations as determined by the Regional Administrator, where it is necessary to protect the integrity of the funds, or insure the proper operation of the program, the Regional Administrator may impose immediate corrective action. Where immediate

corrective action is imposed, the Regional Administrator shall notify the State agency of the reason for imposing the corrective action prior to providing the State agency an opportunity to comment.

**§ 658.704 Remedial actions.**

(a) If a State agency fails to correct violations as determined pursuant to § 658.702, the Regional Administrator shall apply one or more of the following remedial actions to the State agency:

(1) Imposition of special reporting requirements for a specified period of time;

(2) Restrictions of obligational authority within one or more expense classifications;

(3) Implementation of specific operating systems or procedures for a specified time;

(4) Requirement of special training for State agency personnel;

(5) With the approval of the Assistant Secretary and after affording the State Administrator the opportunity to request a conference with the Assistant Secretary, the elevation of specific decision-making functions from the State Administrator to the Regional Administrator;

(6) With the approval of the Assistant Secretary and after affording the State Administrator the opportunity to request a conference with the Assistant Secretary, the imposition of Federal staff in key State agency positions;

(7) With the approval of the Assistant Secretary and after affording the State Administrator the opportunity to request a conference with the Assistant Secretary, funding of the State agency on a short-term basis or partial withholding of funds for a specific function or for a specific geographical area;

(8) Holding of public hearings in the State on the State agency's deficiencies;

(9) Disallowance of funds pursuant to § 658.702(g); or

(10) If the matter involves a serious or continual violation, the initiation of decertification procedures against the State agency, as set forth in paragraph (e) of this section.

(b) The Regional Administrator shall send, by registered mail, a Notice of

Remedial Action to the State agency. The Notice of Remedial Action shall set forth the reasons for the remedial action. When such a notice is the result of violations of regulations governing services to MSFWs (20 CFR 653.100 *et seq.*) or the JS complaint system (20 CFR 658.400 *et seq.*), a copy of said notice shall be sent to the OWI Administrator, who shall publish the notice promptly in the FEDERAL REGISTER.

(c) If the remedial action is other than decertification, the notice shall state that the remedial action shall take effect immediately. The notice shall also state that the State agency may request a hearing pursuant to § 658.707 by filing a request in writing with the Regional Administrator pursuant to § 658.707 within 20 working days of the State agency's receipt of the notice. The offer of hearing, or the acceptance thereof, however, shall not stay the implementation of remedial action.

(d) Within 60 working days after the initial application of remedial action, the Regional Administrator shall conduct a review of the State agency's compliance with JS regulations unless the Regional Administrator determines that a longer time period is necessary. In such cases, the Regional Administrator shall notify the OWI Administrator in writing of the circumstances which necessitate a longer time period, and specify that time period. If necessary, ETA staff shall conduct a follow-up visit as part of this review. If the State agency is in compliance with the JS regulations, the Regional Administrator shall fully document these facts and shall terminate the remedial actions. The Regional Administrator shall notify the State agency of his/her findings. When the case involves violations of regulations governing services to MSFWs or the JS complaint system, a copy of said notice shall be sent to the OWI Administrator, who shall promptly publish the notice in the FEDERAL REGISTER. The Regional Administrator shall conduct, within a reasonable time after terminating the remedial actions, a review of the State agency's compliance to determine whether any remedial actions should be reapplied.
